Youth Camps For Christ, Inc. | Camp Willow Springs & Camp Willow Run 2024 Summer Registration Guide

In this guide you will find a step by step overview of the registration process. This guide is written specifically for **Camp Willow Springs (CWS)**, but describes a process that is nearly identical to the Camp Willow Run (CWR) registration process. If you would like the CWR specific guide, please visit campwillowrun.org/registration.

A few reminders and pointers as you plan ahead:

- Registration will be Monday, February 5 and Tuesday, February 6, 2024
 - CWS campers in rising grades 3-6 will be able to register beginning at 10am on Monday, February 5.
 - CWR campers in rising grades 10 through rising college freshman can access sessions and begin to register at 12pm on Monday, February 5.
 - CWR campers in rising grades 7-9 can access sessions and begin to register at 10am Tuesday, February 6.
 - Your child's space in a session is secured once the \$50 non-refundable deposit has been processed.
 - You can register multiple children in a family at the same time as long as they are in the same grade group of an open or previously opened time slot.
 - You can sign in or sign up for your account now to familiarize yourself with the layout and pre-fill your camper's demographic information (see pages 2 and 12 of this guide). We recommend having a backup session as an option as many sessions typically fill quickly.
 - We encourage everyone to login to your account prior to registration to make sure you remember your password and to update contact and payment information.

Please contact us at 252.586.0728 if you have any additional questions. Thank you!

CWS campers participate in recreation activities on a rotation basis. If you would like to enroll in the optional activity of water-sports it has limited spaces and is available on a first-come, first-serve basis. This activity has an additional fee and is optional.

If you click on the water-sports option and it does not let you enroll in a class, all spots are filled.

If you would like to make specific roommate requests, be sure to complete the "Dorm Friend Requests" steps below:

The "Dorm Friend Requests" is optional and allows you to coordinate with friends to submit roommate confirmed requests.

It is not necessary to complete this step if your camper is coming by themselves. Many campers come unpaired and make new friends.

All roommate requests must be two-sided and each camper is limited to 3 requests, for a maximum of 4 linked friends.

Some friend requests will not be permitted due to previous links. For Example:

If friend C is linked with friend A and friend B. Then if, friend D is linked with friend E. Friend C and D could not be linked, because this will exceed the maximum of 4 linked friends.

You can send a request to a friend by submitting the camper's name and their parent's email.

If another camper's family sends you a request, you can confirm the request by entering the emailed request and clicking "Accept Request."

The opportunity to make requests will close 1 week prior to the camp session in order to allow dorm configurations to be created.
